CATERING

MENU

Wild Thyme is a not-for-profit catering service started by National Joblink. Our passion is to teach people how to make and serve great food.

Our mission extends beyond our kitchen through an outreach program that brings free meals to members of the Cairns community who don't get to treat themselves. We also partner with charity organizations to support those in need.

Driven by a love for both community and food, we believe in making a difference one meal at a time. Our guiding principle, "people over profit," shapes everything we do. 100 % of our profit is reinvested into supporting the community.

By supporting us...you support your community.

Food is our common ground, our universal language.

Food is the ingredient that binds us together.

Food is a vehicle for social change.

It brings people together in a way that nothing else can.
